Summary Statement:

Review of Article 2 of the Town of Frederick Land Use Code, 2004, and community feedback have identified a need to improve and expedite certain review procedures, to clarify procedure and regulations for development applications in the Town, to clarify certain definitions, and more precisely articulate the Town's vision for a vital, cohesive, well-designed community.

Detail of Issue/Request:

The Frederick Municipal Code was amended in 2004 by the adoption by reference of several different codes including the International Building Code and the International Residential Code among others. The Frederick Municipal Code was again amended in 2008 by the adoption by reference of the International Energy Code, as amended during the 2007 legislative session under House Bill 1146 (HB 07-1146). The proposed ordinance (see attachment A) would improve and expedite the procedure for implementing design principles and development standards, clarify application, inspection procedures, and regulations for development applications in the Town of Frederick, and clarify certain definitions by repealing and reenacting the 2008 Edition of Article 2 "Community Design Principles And Development Standards" of the Frederick Land Use Code by reference.

Legal/Political Considerations:

Not Applicable

Alternatives/Options:

The Board could adopt the code revisions by expressly reflecting all changes in a lengthy resolution, rather than adopting the revisions by reference.

Financial Considerations:

Not Applicable

Staff Recommendation:

To adopt the attached Ordinance adopting the 2008 EDITION of ARTICLE 2 "COMMUNITY DESIGN PRINCIPLES AND DEVELOPMENT STANDARDS" OF THE TOWN OF FREDERICK LAND USE CODE, AMENDING CERTAIN SECTIONS OF THE FREDERICK LAND USE CODE IN CONNECTION WITH THE ADOPTION OF SUCH ARTICLE; AND REPEALING ALL ORDINANCES IN CONFLICT THEREWITH, by reference.
